LEMON GROVE REVIEW

VOL. 10; NO. 26 | LEMON GROVE, CALIFORNIA | THURSDAY, FEBRUARY 13, 1958 | 10¢ Per Copy

The Dimmer VIEW

BY MAX GOODWIN

One of our more respected doctors, one who believes firmly in patronizing home industry also favors saving a buck here and there, even as you and I.

He was geared up to take the family pooch to the local veterinarian for a vaccination, which costs $5, when he learned the county was providing the service free at the County animal shelter.

He gathered up the pooch, took half a day off and stood in line with the rest of the poor people for nearly an hour. When he was ushered into the vaccination room, who did you think was giving the shots. The local veterinarian!

"Let me know when you are giving your free day at the county hospital and I'll send my kids down for their shots," he said to the embarrassed physician.

For the record, let me tell both doctors this was reported by an evesdropper . . . and I confirmed the story with Pooch.

Rolland Douglass, who runs the Lemon Grove branch of the Department of Motor Vehicles on University Avenue soothed my ruffled feathers when I complained about the high cost of auto tabs by telling me about some of the big boys.

"We have nearly 20 persons who paid $150 or more for tabs for their auto this year," he reported.

He said that a certain style of Cadillac and three makes of foreign cars, 1958 models, rang the DMV register for better than $150.

Fee represents 2% of 85% of he California sale price, he reports.

No matter how old and worn out your car gets, it'll never cost less than $9 to license it, he added.

During our continuing struggle with the powers that be to get the telephone pole moved from the post office paring apron, the Public Utilities Commission sent a representative to Lemon Grove. The man, a personable representative named John Cox, is a retired naval officer.

We had a pleasant visit and he later interviewed a half dozen local townspeople to get the taxpayers' point of view.

The following week I received a person-to-person call from Mr. Cox from his office in the Mirror Building in Los Angeles. He told me that the Public Utilities Commission wouldn't order the SDG&E to move the pole because that would add to the utility's cost of doing business and this would then be passed on to the utility's customers.

"Our primary function is to save money for the taxpayer," said Mr. Cox.

"Then I am paying for this call." I said querulously, the converstation having consumed some 20 long-distance minutes and the L.A. to L.G. rate is not cheap.

"No, we are paying for it," he answered. "You asked us to report our decision to you."

"This could have been done by post card," I suggested.

"But you instructed us to call." was the answer.

All of which proves I can get the PUC to do anything . . . except move the utility pole.

San Miguel P-TA To Announce Life Membership

San Miguel P-TA will have its annual Founders Day program Thursday at 7:30 in the school cafetorium.

Highlights of the meeting will be: election of a nominating committee; introduction of past presidents by Mrs. Harold E. Milner, Founders Day chairman; a skit, "Birthday of P-TA" by children of the school and a movie, "So This is P-TA".

Mrs. J. E. Jensen, honorary life membership chairman, will reveal the name of the person selected by her committee to receive the honorary life membership, presented by Mrs. H. T. Espe, last year's recipient.

SHARE OF A CITY — Isaac Cass, Lemon Grove earlytimer, becomes the first citizen to buy a "share" in the proposed city of Lemon Grove.
Certificates are being exchanged presently by the chamber of commerce for donations to cover cost of bringing incorporation to a vote.
Left is Ernest Newton, president of the L.G. Chamber of Commerce looking on while Jim Spears, head of the fund raising committee for the chamber collects from Cass for the "share". Cass, a retired cabinet maker has lived at his home at 8265 Adams Avenue for 20 years. He was an early Lemon Grove scoutmaster during the years 1939-46. He was chairman of a 4-H club locally in 1941-42 when it had four units, 125 members.
Cass said he felt Lemon Grove was big enough to operate its own government. — Tappy Foto

High School Teachers To Get Overtime Pay

Trustees of Grossmont High School District this week agreed to give teachers and coaches extra pay for work performed after regular school hours.

This decision ended a one year controversy which started when the Grossmont Coaches Association demanded extra pay, threatening to refuse attending night athletic games. At that time, the trustees refused even considering his request without including extra curricular teaching assignments.

Coaches and teachers who work after school with clubs, student government activities, drama, journalism, speech and music classes will be paid according to a formula based on units awarded on the basis of the amount of additional time, responsibility and required effort. This will cost approximately $65,000 a year according to Lewis Smith, district superintendent. Financing will come from an appropriation of $25,000 from a general fund and $40,000 from a planned curtailment of employment of extra teachers.

Smith said that fewer than the estimated 33-35 additional teachers would be employed in 1958-59 and the money saved by spreading the work load would cover most of the cost of the extra time and over time. It would permit teachers who want extra work to earn as much as $600 a year extra.

In the event volunteer teachers do not teach, the funds to be paid teachers of extra curricular activities must be reduced on a pro rata basis, Smith said.

Smith also said the cost for normal increases in teachers' pay would represent 4c on the high school tax bill next year.

Overtime pay, under the present plan, would represent 2c more. The rate is now $1.13 per $100 assessed valuation. If no other increases are caused, the 1958-59 rate will be $1.19.

LOCAL MAN HOSPITALIZED BY ACCIDENT AT WORK

John Seivers, 3291 Buena Vista, was seriously injured when a hoist he was working on at Rohr Aircraft toppled on him.

He is in Paradise Valley Hospital with multiple fractures of the right leg and multiple fractures of toes of his left foot.

He said he ascended a chainfall which was inoperative and the hoist and the piece it was lifting toppled. Seivers had just cleared the area of workmen prior to the accident else several other workmen would have been injured, he said. He fell from a height of 20 feet.

Seivers has been active locally in Indian Guides.

L.G. Clean-Up Scheduled

The Lemon Grove Fire Department will sponsor a Clean-Up, Fix-Up, Paint-Up week in February, reported Fire Chief H. O. Hensley.

Chief Hensley said that such a program would help reduce fire hazards, especially during the coming dry seasons.

Special attention, he said, should be given to piled rubbish, overloaded electrical receptacles and exposed wiring, weed patches, and heaters not properly insulated.

He has designated Lemon Grove Clean-Up, Fix-Up, Paint-Up Week as February 24 through March 1.

DEMOCRATIC COUNCIL WANTS SECRECY FORBIDDEN

FRESNO (Spcl.)—The California Democratic Council Board of Directors, meeting in Fresno, on Sunday passed a resolution urging the House of Representatives Information Subcommittee to approve bills now before it which forbid government agencies to withhold information in the absence of specific legal authority.

CDC President Joseph Wyatt, of Pasadena, said the bills are designed to enlarge areas of available public information and destroy the secrecy imposed by wholesale classification of information by government agencies.

The House Subcommittee, under the chairmanship of Representative John E. Moss, Jr., 3rd California District, is now investigating secrecy in government resulting from asserted misuse of classification procedures by officials.

CHAMBER TO 'SELL SHARES' IN NEW CITY

Chamber of commerce members, and other civic-minded citizens of the community will begin selling certificates this week to those who favor bringing about an election on incorporation.

Chamber president Ernest Newton named auto dealer Jim Spears as head of the committee to acquire the certificates and commence the sale of them.

Each certificate, looking like a gold bond, will give the contributor an opportunity to "acquire a share in the future" of Lemon Grove as a sixth class city.

Spears said the certificates will be available in ten and twenty-five dollar amounts.

Proceeds from the sale will be used to cover expenses of bringing about the election. The chamber has set $10,000 as a goal for covering these expenses.

Dog Licenses Penalty To Be Upped Next Week

SAN DIEGO (CNS) — Dog licenses are now delinquent in San Diego County, according to Tax Collector Wilbur W. Easton. He said penalties of 50 cents per dog will be exacted until Feb. 20, after which the penalty will be $2.

Dog tags cost $2, whether the animal is male, female, or spayed, said Easton. Licenses may be obtained in person or by mail at the Civic Center, San Diego; at the County Animal Shelters at Spring Valley and Escondido, or at the city halls of Carlsbad and Imperial Beach.

The increased penalty, said Easton, is due to an ordinance passed by Supervisors on Jan. 20. He said that the number of licenses issued each year by the county is declining, due to annexations by cities. He put the number of licenses now issued at 8,000, compared with 15,000 a few years ago.

SERVICES HELD FOR SLAIN MAN

Funeral services for Laverne E. Dufford, 43, of 4621 Bancroft Drive, Spring Valley, were held at the Erickson-Anderson Mortuary, La Mesa Thursday. Dufford died February 1; after he was allegedly shot by his wife while he slept. Rev. Phillip Bartlett of the St. Phillips Episcopal Church, Lemon Grove, officiated. Interment was in Mt. Hope. Pallbearers were men from the building inspection department of National City. Dufford was an assistant building inspector for that city.

Born in Nebraska, Dufford had lived in the area since 1921. Besides his widow, he is survived by two sons, Richard Clark and Phillip Dufford; a daughter, Sharon Clark; his parents, Mr. and Mrs. W. B. Dufford; three brothers, Dorwin, Raymond and Lelend Dufford; and a sister, Mrs. Mavine Wrbanick, all of the San Diego area.

High County League Formed At Campo

The historic community of Campo has inaugurated a new civic organization known as "The High Country League." The first meeting was held on February 2 at the home of Frank Pharr, former Hollywood actor and director. Carleton C. Leonard, of Imperial Beach was elected president, Warren Randall, Campo, was elected vice-president and Marie Barber, Coronado, secretary-treasurer. Lorraine Seward Davis, formerly with the Redlands Chamber of Commerce, was elected as public relations director.

Leonard stated that the purpose of the organization was to "promote interest in the vast potential of the famous historical area surrounding Campo.'

Ground Breaking Monday For La Presa Water Dist.

Ground breaking ceremonies for the newly formed La Presa Water District will take place Monday morning at the site of the first storage tank near La Mesa Airport.

Fred Hansen, president of the L.P.W.D. said some 150 financiers, engineers and members of the press are to be invited. All will meet at the entrance to the airport at 11:15 and proceed up the hill to the site of the ceremonies, which will take place at 11:30. Fred Heilbron, of the County Water Authority and Ralph Barger, president of the Otay Municipal Water District, have been invited to speak.

Following the ground breaking ceremonies, the group will make a tour of the District and then return to the Henry Langhorst Cafe for a buffet luncheon.

Work on the one million gallon water storage tank and the first line of pipes has been scheduled to start immediately.

San Altos School To Cost $10.60 A Square Foot

I. C. Currey, Inc., was low of eight bidders on the new 16 room San Altos School. Currey bid $352,483 which works out approximately $10.60 a square foot. There will be 12 classrooms, 2 kindergarten rooms, a principal's office and cafeteria.

Byron Netzley, school superintendent said that work should get started March 1 and the school should be completed in time for school in September, 1958.

The school board accepted the Currey bid and submitted it for federal assistance funds. No hitch is expected in acquiring this money.

The school board also hoisted the price of lunches for junior high students a nickle to 30c. Lower grades will continue at 25c. Adult luncheons, at 40c will remain at that price except drinks, which had been included in the price, will now be charged for.

SUPERVISORS FIRM IN S.V. SEWER QUARREL

SAN DIEGO (County News Service) In a stormy session, with County engineers charged with incompetence, the Board of Supervisors at their meeting Tuesday refused to grant the contractor on the Spring Valley Sanitation District's sewage treatment plant an extension of time.

John W. Knowles, Laguna Beach attorney, representing Ted R. Gregory, the contractor, tangled horns with Jean L. Vinvenz, director of Public Works.

"My blood boils," said Vincenz at Knowles' charge of inefficiency and incompetence. "I'm just an engineer, so I haven't the experience in taking insults that lawyers have."

Knowles had been trying for several weeks to get an extension on Gregory's contract so that the latter may be relieved of the $250 per day penalty being levied by the county. The sewage treatment plant was supposed to be completed by Oct. 1, but Gregory won several extensions, the last to Jan. 19. The penalties have been in effect since then.

Knowles told Supervisors that the plant was ready for testing that afternoon. He blamed the county for failing to coordinate work and for not having a man to inspect the job when needed.

"I've been out there a number of times," said Supervisor Dave Bird, in whose district the plant it, "and the inspector seems to be living on the job. It's cost the people of the district over $2,000 more than it should have in inspection fees."

The excess inspection costs are equivalent to 4 cents on the district's tax rate, T. M. Heggland, county administrative officer, said after the meeting.

Knowles insisted that testing of the plant should begin at once.

"If Mr. Gregory will call my office," said Vincenz, "we'll cooperate in every way. He just has to tell us he's ready to test."

"Will you take my word for it," asked Knowles, "as Gregory's agent? Will you start water through the plant this afternoon?"

Vincenz said he would. Later he explained that Gregory has to start the tests himself and that the water is there for the tests.

"I just called the inspector," he said, "and there's no request for tests."

Vincenz told Knowles that Gregory would not make the statements under oath that the attorney had made.

Supervisors agreed to meet again at 10 a.m. Friday. Bird said that he wouldn't decide until he had a chance to hear from the county engineers.

Supervisors, acting as the board of directors of the Spring Valley Sanitation District, Tuesday approved a change in connection fees for commercial consumers. Instear of the fee of $5 per front foot formerly charged, a flat $300 per connection will be charged for firms with up to 5,000 square feet of space.

For larger firms, the fee will be kept at $5 per front foot.

Sewer Plant Tests Slated

Tests are to be run this week in the Spring Valley Sanitation District's sewage treatment plant, according to Jean Vincenz, county director of Public Works.

Vincenz also said that efforts to blame the county for the delay in completing the plant are not going to get anywhere. "The contractor," Vincenz said, "just wants people to feel sorry for him, in the hope that he can get an extension of time and not have to pay the $250 per day penalty he's now being charged."

John Knowles, attorney for Ted Gregory, the contractor, charged in a recent letter to the Board of Supervisors, that county inspections had been slow and that the contractor had not been informed of changes in elevations. The letter was turned over to Vincenz for investigation, but he did not have the report completed by the time the Supervisors met.

The contract expired October 1, but Supervisors extended it to January 19. The penalty has been assessed since then. A further extension to last Thursday was requested, but no action has been taken on that.

The contract is for $290,000, and the $250 per day penalty will be deducted from the last payment the contractor will receive.

Ted Gregory, the contractor, said last Thursday, that the recent storm damaged one of the major pipe lines of the plant, but he expected it to be repaired by the end of last week. He said if the county will give inspection, the lines could be hooked up to the plant sometime this week. He concluded that there are only a few minor check ups to be taken care of.

ENGAGED — Dr. and Mrs. Charles G. Hanna of Scranton, Iowa, announce the engagement of their daughter, Mary Sue, to Mr. Alan Clark Batchelder of Lemon Grove. Both young people are attending Simpson College at Indianola, Iowa, where Alan is a junior and Mary Sue a sophomore.
Alan is the son of Mrs. Marian Batchelder of 2242 Lawton Drive, Lemon Grove, and Mr. Clark H. Batchelder of San Diego.
August 16 has been chosen as the date of the wedding which will be held in Scranton.
Miss Hanna spent last summer in Lemon Grove, as a house-guest of the Batchelder family, along with her sister Margaret Ann who is also a student at Simpson College.

New Service For L.G. REVIEW

County News Service of San Diego, a news gathering agency covering county governmental affairs, was established on Feb. 1, with the Lemon Grove REVIEW one of the first publications in the county to subscribe.

Archy MacPhail, a former staff member of the El Cajon Valley News and a newspaperman prior to that in California, Texas, and New York, is director of the County News Service.

The new agency is to provide coverage of all San Diego County offices, meetings of the County Board of Supervisors, other county meetings, and the activities of superior courts. Its news stories will be written specifically for each of its subscribers, reporting those events that affect the community in which the subscriber is located. It will also cover special assignments at the direction of its clients.

"County government," said MacPhail, "is becoming increasingly important to outlying communities. But no newspaper needs to keep a staff member in San Diego now. That will be the job of County News Service."

MacPhail said he felt confident that CNS would add to the knowledge of the public in each of the communities served by the service.

3 CANDLES FOR PURTEE

A veteran shoe man, Ray Purtee, is celebrating the third anniversary of his Broadway shoe store this week.

He opened his present store at 7609 Broadway in July 1956 but he became a shoe retailer when he opened a store on Broadway near Massachusetts in February 1955. He soon outgrew the lower Broadway location and he was forced to seek larger quarters. Purtee said he would have a balloon giveaway for youngsters during the week in which he is celebrating his anniversary. He said he would also offer specially purchased merchandise, too.

Purtee came to San Diego from Kansas City in 1934 and was associated with Streicher's for 9 years. He joined Lane's as manager of his shoe store in 1952 and served in that capacity for 2½ years. Dee Brumley has since purchased the shoe store at 7763 Broadway.

While opening his present store, Purtee suffered a heart seizure and was hospitalized. He spent many months at home resting before he could take over the operation of his store again.

Purtee worked in a shoe factory as a boy and started fitting shoes in 1924. He holds the ing of Highly Skilled Mechanical Practipedist.

WORLD DAY OF PRAYER — The representative women above are from seven local churches who plan the World Day of Prayer observances in the Lemon Grove, Spring Valley and Casa de Oro areas.
This annual Day is held under the auspices of the United Church Women of the National Council of Churches, and the World Council of Churches. In 145 countries and in over 20,000 U.S. towns and cities, prayer is held on this day. From New Zeland to Alaska, a great wave of prayer rolls around the earth. The service for the Day was prepared by women of seven denominations in Australia, and Christian aborigine women of that country.
St. Philip's Episcopal Church, Palm at Hardy, Lemon Grove, is host church this year. The service will be held at 10 a.m., February 21, with each of the churches taking part.
In the photo above are, standing: Mmes. Orval Butcher of the Skyline Methodist Church; Russel Ray (area chairman) of St. Philip's, and Donald B. Cooke of the Lemon Grove Methodist Church.
Seated are Mmes. Virgil Duea of the L.G. Lutheran Church; Albert Wessler of the Spring Valley Baptist; Lester Denison of the S.V. Friends Community Church, and Emmett Beebe of the L.G. Congregational Church.

BWL Meeting Attendance Poor

Poor attendance was sorrowfully in evidence at Thursday's meeting of the Business Women's League.

Mrs. Burt Snyder gave a review of George Scott's speech delivered at the chamber of commerce installation. There was also an earring exchange which had been planned by President Julie Farle.

More attendance is needer, said President Farle, to fill committee assignments.

Little League Sponsors Needed

After several weeks of try-outs, teams are now being formed for the coming season of Little League, and an appeal is being made to find sponsors for the new teams. More than four hundred new boys have joined the league, and they have to be supplied with jerseys, caps and equipment. The cost to a sponsor for a Minor Team is $150 for the year.

To date the League has four sponsors for the Minor League and need at least 8 more, and the president Ursillo urges all community minded organizations to consider this worthy project.

For further information, anyone desiring to help may call Mrs. Helen Eaton, HO 6-4747 or Mr. Ursillo, HO 9-2385.

Vogues To Have 'Shipwreck' Party

A Shipwreck Costume Party will be held by the Vogues on February 18, at 8 p.m. in the Lemon Grove Woman's Club club house. This unique party was dreamed up by Mrs. J. A. Ross, program chairman. Entertainment is top secret but promises to be quite exciting. Hostesses will be: Mrs. Steve Jurchenko, Mrs. Don Alger, and Mrs. Robert A. Jones.

ONE MORE WARNING

Once again I think I should warn you that if you have had borers in your ROSE BUSHES, your peach tree, your shrubs or shade trees, you should take the simple precaution of getting a bottle of borer solution (containing ethylene dichloride, one of the heavier ethers) and diluting it and pouring it around the base of the bush or tree NOW.

NOW IS IMPORTANT

Most borer species hibernate in the soil, close to the base of the tree, during the winter months. Then, when the sap starts flowing in the bush or tree, the borer larvae start up through the galleries of the trees or Rose bushes in search of food. If you wait until that time, you will be too late to prevent a lot of damage. But you can kill the borer family in the soil by using the right material now.

Goodwill Building Program Planned

Richard A. Nelson, president of Nelson-Thomas Office Supply Co., has been re-elected president of the Goodwill Industries of San Diego County for the 11th year. He was re-elected at the annual meeting, held at the non-profit organization's main offices, Fifth and "J" Streets, in San Diego.

Early construction of a "badly needed" multi-story fireproof building for additional processing of discarded articles was approved at the meeting, and the problem of when, and how to be financed was referred to the building and finance committee, headed by A. J. Sutherland, banker-treasurer of the organization.

Other 1958 officers include: George A. Scott, president Walker Scott Co., first vice-president; Byron Peterson, manager Balboa Mortgage Co., second vice-president; Dr. Winton Oster, physician, secretary; and Sutherland, treasurer. Clark Chamberlain and Franklin Reader were elected to the executive committee.

Elected to the board of directors were: Frank Newitt, retired; C. Rupert Linley, El Cajon attorney; Max Goodwin, Lemon Grove publisher; and Lawrence Green, industrialist.

Dr. Myron Insko was elected executive director for the 29th year—believed to be an all-time record for continuous service in a single unit of the 120-unit Goodwill Industries of America.

Nelson, who also is international president, stressed the need for the new factory building, which will be erected at Fourth and "J" Streets, site of a hotel of the '80's, which has been razed.

In his annual report, Insko said that 190 handicapped workers received $400,000 in "opportunity wages" during 1957.

'Sputneck' And 'Teeveelegs' Now Modern Ailments

"Sputnik Neck" and "Television Legs" were two new diseases of the last year, according to reports heard this week-end at a meeting of the board of directors of the California Chiropractic Association at the Statler Hotel, Los Angeles, according to Dr. Stanley Yanchul, of 3458 Main St.

According to a paper read at the meeting, hours of watching the heavens so long and conscientiously for Sputniks I and II have caused a wide-spread prevalence of stiffness and soreness of the neck. Doctors of chiropractic reported so many cases of this kind to treat that they have called it Sputnik Neck, or abbreviated it to "Sputneck".

The doctors also heard about "Television Legs", caused by sitting for hours in front of TV in positions that may produce serious circulation troubles in the legs, including blockage by blood clots.

To prevent "Television Legs", walk around a bit every half hour, Dr. Yanchul said. Keep your feet elevated on a footstool. If you're a woman, remove round garters and girdles if going in for a prolonged TV watching.

Other items on the week-end agenda for the association's officials were chiropractic care under the new state medical aid plan, chiropractic cooperation to stamp out medical cancer quackery, a new health insurance plan to meet needs said not being filled by most current policies, and a project to collect good used clothing for destitude Sioux Indians.

SDG&E Offers To Move 5 Poles For $1,500

The San Diego Gas and Electric Company proposed to the Lemon Grove Chamber of Commerce the removal of five electric poles along Broadway, one in front of the post office, for approximately $2,500. The poles string from Kempf to the west on the south side of Broadway.

They had previous proposed the removal of three poles for $830. Wall said the company would absorb approximately $1,000 of the cost. This cost being represented by the cost of moving the poles when Broadway is eventually improved. Wall said the company would be required at that time to move to the newly established property line at the company's own cost. Property owners will be required to pay the difference. The chamber would act only as coordinator.

Additionally they request the chamber to acquire rights-of-way for the company so that the poles may be reset in the rear of stores in the area.

Chamber president Ernest Newton asked that Lloyd Wall, eastern district manager for SDG&E, who made the proposal, to submit his proposition in writing.

Grossmont Concert To Feature Local Musicians

Tht new Women's Committee of the Grossmont Community Concert Association will sponsor a free public concert by the 68-piece Civic Youth Orchestra at 8 p.m. February 24, in the Grossmont High School Auditorium.

Daniel Lewis, the director, also is assistant conductor of the San Diego Symphony Orchestra and heads the music department at Helix High School.

Members of the Association will be given seating prior to 7:45 p.m. The public will be admitted free after that time.

Among the foothills students performing with the orchestra will be Miss Marie Hill, San Diego State College sophomore. She will be soloist in the Mozart Flute Concert in D Major. Miss Hill is the daughter of Dr. and Mrs. Donald M. Hill of La Mesa and is principal flutist in the orchestra. Roger Moulton of La Mesa is concertmaster.

Lemon Grove residents performing will be Jan Baxter, Paul Beighle, Donna Bullock, Susan McMorrow, and Dorothy Nicodemus. Also Olin Elliott and Mike Thornburgh from Spring Valley.

Area Students Get State Honors

The college evaluation office of San Diego State has announced twenty-five students have qualified for mid-year graduation . . . with honors. In this area the students are:

"High Honors" Ana Aline Steinhoff, 2769 Mars, Lemon Grove, average 3.78.

"Honors" Robert Edward Coddington, 3686 El Canto Drive, Spring Valley, average 3.41; Richard Perry Boyle, 9397 Crest Drive, Spring Valley, average 3.40; Carla Hastings, 2450 Bancroft, Spring Valley, average, 3.38.

Recommendation for distinction in their major field were: Coddington, personnel management; Boyle, political science; Hastings, social service, William Britt Bernard of 3675 El Canto Drive, Spring Valley won recognition in music.

Juniors' Choral Group To Provide Program For Local 'Home'

The Lemon Grove Woman's Club Choral Club will present a Valentine's Day program at the Cresta Loma Rest Home at 2:00 p.m. this week. A variety of selections has been planned. Cookies and candy will be distributed afterwards to the home members. Mrs. George Jenkins is music chairman.

Last call for "Operation Books" is in for the Juniors' Build a Better Community project Mr. Robert Bresnahan is chairman. A receptacle will be provided at the Lemon Grove Post Office from February 17 through February 22. The books that are collected wil be distributed to the libraries at Mt. Miguel High School and Vista La Mesa Grammar School. Three hundred books have been collected so far. The goal is 500.

First 'Fairest' Competition Set For March

The 13th annual search for a young lady, between the ages of 17 through 22, to reign as Fairest of the Fair and Miss Con-Tour, will begin in March, Barney Newlee, director of special events for the sponsoring Southern California Exposition and County Fair, announced this week. Ellen Emig is the current title holder.

The initial contest will be at Hotel del Coronado, Sunday, March 16, under sponsorship of the Coronado Chamber of Commerce.

Newlee said similar contests will be held in 8 other cities, communities or areas of San Diego County during a 10-week period.

Local winners will compete in a final elimination June 1 when a successor to Ellen will be selected.

Billed as the largest event of its kind in the County, Newlee pointed out there were 250 aspirants last year.

The Fairest of the Fair and Miss Con-Tour will reign over the 19th annual Southern California Exposition and County Fair at Del Mar, June 27 through July 6, is hostess of the San Diego County Convention and Tourist Bureau, and will represent this County in the California State Fair's annual Maid of California pageant at Sacramento.

Contest will be held in Alpine, Carlsbad, Chula Vista, Escondido, El Cajon, Fallbrook, Imperial Beach, Julian, La Mesa, Lemon Grove, Linda Vista, National City, Oceanside, Pacific Beach, Ramona, San Dieguito, San Diego and Vista.

The Fairest of the Fair and Miss Con-Tour is chosen on the basis of beauty of face and figure, poise and personality.

All finalists will receive latest style swim suits, Newlee said, a product of Elon of California.

The Fairest of the Fair and Miss Con-Tour will spend an exciting three-day holiday at the Riviera Hotel in Las Vegas, as guest of Western Air Lines and the Riviera. She'll also tour Southern California cities for five days, visit a film studio, spend 10 expense-paid days at Del Mar during the Exposition, receive $300 cash award and other gifts.

Newton Proclaims L.G. Dental Week

Ernest M. Newton, president of the Chamber of Commerce, Lemon Grove, yesterday proclaimed the week of March 3-7 Children's Dental Health Week in Lemon Grove and Spring Valley. The week is being observed in communities throughout the nation as a reminder to parents and children of the importance of taking proper care of the teeth.

Dr. Peter Shea, Dental Health chairman for Lemon Grove and Spring Valley, said yesterday the event is being sponsored by the American Dental Association nationally and the San Diego County Dental Society locally.

"Denistry has tried to remind the people at this time each year that the most serious dental problems we face today can be avoided if children learn at home and at school how to care properly for their teeth," Dr. Shea said.

Newton's proclamation follows:

"Whereas, health, appearance and personal well-being of children and adults are greatly influenced by the condition of teeth and mouth; and

"Whereas, early preventive measures can protect our children from a large part of the dental diseases, especially tooth decay, tht affect more than 95 per cent of our people; and

"Whereas, the dentists of this community have urged the development of community health programs as the only effective way to prevent and control dental diesase:

"Now, therefore, I, Ernest M. Newton, president of the Lemon Grove Chamber of Commerce, do hereby proclaim the week of March 3 through 7, 1958, as Children's Dental Health Week in Lemon Grove and urge that all citizens and all community organizations join in the observance."

PROMOTION IS EARNED by Robert Wilson, right who was made vice president of the Southland Savings and Loan Association recently. Congratulating him is John A. Davis, president of the firm. Wilson is manager of the Lemon Grove branch of the firm.

At the same time Davis announced net earnings for the firm for the past year of $167,993.53 after taxes.

Of this amount the Association distributed dividends amounting to $20,000.00 to its guarantee capital stockholders. This, Davis said, is in line with the conservative policy always followed by the directors.

Savings accounts reached an all time high of $11,135,039.65, an increase of 23.14%. The number of savings customers increased by 47.05%. A substantial portion of this increase represents the boost in savings interest rate last July from 3½ to 4%, payable quarterly. During the year real estate loans increased by 19.97% to an all time high of $10,796,605.93. Indicative of the improvement in quality of home construction, the average dollar amount per loan increased from $9,313.36 as of January 1st to $10,782.64 by December 31st. Southland Savings is an independent, locally owned and managed institution, which is not controlled by a holding corporation. The stock is closely held, with the Directors controlling more than 80% of the total outstanding shares.

Verticillium Wilts Area Avocados

A disease has been showing up in a number of San Diego County avocado orchards lately has caused growers some concern. It is of a temporary nature and occurs only in certain areas, seeming to strike only a few trees in any one orchard.

Symptoms of the disease are a sudden wilting of the leaves of one twig or branch, one side of the tree or the entire tree; the leaves turning brown on the tree, incidence of die-back to branches, trunk or whole tree, and reddish-brown to brown discoloration in the wood under the bark of the dead areas.

There have been many names given to this disease, such as collapse, apoplexy and asphyxiation; but the true name now is given as verticillium wilt.

Cause of the disease is a soil fungus called verticillium. The fungus has a wide distribution in soils and attacks a large number of plants. There is no proven treatment for this disease. About a month after the leaves have wilted and died, new shoots will appear along the branches which have not been killed.

These suckers should be allowed to grow out well to determine the extent of damage before pruning. After the suckers are grown out, cut back to the strong ones and at the same time remove the partially or wholly killed wood.

Recovery is usually permanent in trees not killed, but cases have been observed where the wilt has recurred a number of times on the same tree.

Experience has shown that where crops such as tomatoes, berries, squash, etc., have been grown, the possibility of verticillium attacking avocados is higher than if these crops had not previously been planted.

Unusual Seafood Recipes... Free!

Mary Morgan
Food Basket Home Economist

Our Fish Sale falls at a most appropriate time, since we are in the midst of observing National Nutrition Week, and the slogan, nation-wide is "Eat Every Day The Balanced Way." Seafood certainly aids in helping us carry out that slogan, since it is such an excellent way of incorporating those essential minerals and trace elements, plus high quality protein in the daily diet.

Along with the Recipe of the Week, "Shrimp 'n Rice Skillet", pick up your copy of "Unusual Seafood Recipes" with the new supplement sheet describing cooking procedures for fish and shellfish.

Mrs. Smith Succumbs at 81

Funeral services, for Mrs. Victoria Smith, 81, of 1555 Presioca Street, Spring Valley, were held at Greenwood Mortuary last Friday, and interment followed in Greenwood Memorial Park. She passed away last Tuesday after a long illness.

Born in Cottonwood, Utah, Mrs. Smith and her husband, Thomas H., came to Ocean Beach in 1910. For a while they operated a fish bait business on the route to Mission Beach, and lived in the house which was later moved to Spring Valley in 1950. Mr. Smith passed away in 1935.

Survivors are a brother, M. E. Johnson of Spring Valley, and three sisters, including Mrs. Olga Gilmore of Spring Valley, and Mrs. R. L. Maiser of Ocean Beach.

RED CROSS WANTS JIG SAW PUZZLES

Discarded jig saw puzzles are wanted by the Red Cross for distribution to patients in Naval Hospital.

A Red Cross box has been set up in the library at Golden and Imperial to receive them. Mrs. Randolph Morse is in charge of the local collection.

Life Membership To Be Given By Jr. High P-TA

At a recent board meeting of the Lemon Grove Junior High P-TA, Mrs. Margaret Lemmer reported on the final plans for the Founders Day program to be held Thursday, February 20 in the school cafetorium. The past presidents will be honored and the program will hi-lite scholarships and training of teachers. Honorary Life Membership presentation will be made by Robert Sutton, Honorary Life chairman.

An interesting Parent Education program was held recently in the school cafetorium. A panel of 2 high school girls, a parent and a teacher with Justin Lundquist as moderator, discussed problems of junior high school age girls. The next Parent Education meeting will be held February 26 at the school.

A report from the by-laws committee was given. The nominating committee will be elected at the next general meeting, February 20.

Hostesses for the evening were Mrs. Paul Mann, and Mrs. Harold Perkins.

BOOZE SCREENERS JOBS OPEN

The Department of Alcoholic Beverage Control, which receives over 1200 liquor license applications a month, has openings for agents and investigators. Statewide examinations for Agent, Alcoholic Beverage Control, have been set for March 22.

Agents for the Department not only screen new applicants and their proposed locations, but also investigate complaints of improper activities on the 44,000 premises already licensed for the sale of alcoholic beverages thruout the state.

To qualify for the examination, a candidate needs two years of fulltime experience either as a private investigator, field investigator in an insurance business or collection agency; or in investigative law enforcement work. The education usually required is completion of high school, although more of the above experience will serve as a substitute on a year-for-year basis.

The position starts at $415 a month, with yearly raises to $505. Advancement to supervisory and administrative positions in the same field is offered thru state merit system on the basis of competitive promotional examinations.

Full information and application forms are available at Department of Employment office on Columbia Street in San Diego.

Polio Shots To Be Given At Medical Center

Drs. Contasti and Webster, of the Spring Valley Medical Center, 4005 Citradora Drive, assisted by nurses Mrs. J. Carman and Mrs. B. Curry, will give polio shots at $1 each, at the Medical Center, Friday at 7 p.m.

As there will be just enough vaccine for about 300 shots, they will be given on a "first-come, first serve" basis.

Nurse Carman gave the reason for the $1 charge as having to purchase syringes, needles and other supplies, which it was hoped the county would provide. The charge will just about meet the expense. The doctors and nurses will donate their time.

For further information call Dr. Contasti's office, HO6-6252.

Job's Daughters Mothers' Club Meets Monday

Mrs. Jack Wrede will be hostess for the regular meeting of Job's Daughters Mothers' Club Monday at her home at 1764 Dayton Drive.

An unusually large turnout gathered last month at the home of Mrs. Robert Doty, Mmes. J. D. Mallow and A. H. Kruse provided the refreshments.

Mome members are desired. Club president Mrs. Leslie Cooper said she would explain the operation of the club to anyone who calls her at HO 6-7698.

Will Register Area Voters

Mrs. Charlotte Phillips, deputy registrar of voters for Spring Valley, announces the following dates and places for registering for the June primary election.

March 10 to April 10 . . . each Tuesday 11 a.m. to 5p.m. at Stan's Market, Casa de Oro; starting March 12 . . . each Wednesday, 11 a.m. to 5 p.m. at the Food King Market, Campo Road and Bancroft; beginning March 13, 14 and 15, each Thursday, Friday and Saturday, 11 a.m. to 5 p.m. at the Food Basket, Lemon Grove.

In the meantime, Mrs. Phillips will register at her home, 3546 Helix Street, Spring Valley. Her phone number is HO 6-4209.

PAT CORLE MAKES 'WHO'S WHO' IN BATON TWIRLING

A local girl, Miss Pattty Corle, 10 years old, of 7928 Barton, Monterey Heights, has won honorable mention in the annual library edition of "Who's Who in Baton Twirling."

Miss Corle is the daughter of Mr. and Mrs. Thomas Corle. She has won 52 trophies, having twirled from the age of 3 and has been San Diego Conuty Champion for four years. She also won the National Championship using fire batons. At present, she is studying with Mrs. Phyllis Fleming Ramage of San Diego. Miss Corle attends Monterey Heights Elementary School.

The Corle's have two other children, Thomas 17 and Bob 14.

FILM PART OF PROGRAM AT VLM CHRISTIAN CHURCH

The Vista La Mesa Christian Church will present a film "The Work of the Churches" at their workshop service this week on Sunday at 6:30 p.m. Following the film there will be a symposium, conducted by leaders of the functional committees, on the structure of the church. Youth will also have a group discussion along these lines. Special classes will be held in church membership training and Christian growth with guided activities for smaller children. The Junior Choir will sing.

PVT. KILLIAN IN GERMANY

FORT SILL, OKLa. (Spcl.) — Pvt. William F. Killian, son of Mr. and Mrs. Francis E. Killian, 3463 Citrus St., Lemon Grove, is scheduled to arrive in Germany this month under Operation Gyroscope, the Army's unit rotation plan.

Killian is a member of the 36th Field Artillery Battalion, formerly located at Fort Sill, Okla., which is replacing the 291st Field Artillery Battalion in Schwabish Hall, Germany.

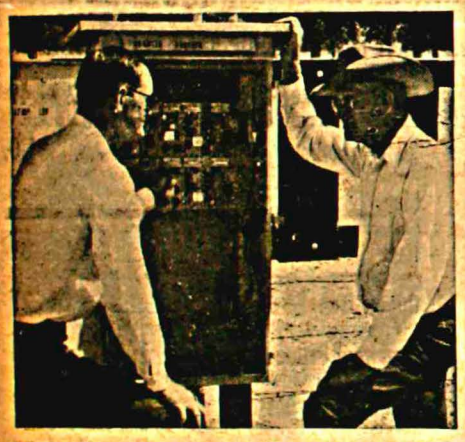
An ammunition handler in the battalion's Service Battery, Killian entered the Army in July 1957 and received basic infantry training at Fort Ord, Calif.

The 18-year-old soldier was employed by the Magic Carpet Cleaners before entering the Army. He attended Helix High School, La Mesa.

☆ Every man sent to Korea was accompanied by five tons of supplies and it took 64 pounds of supplies and equipment every day to keep him there.

WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa



See that box on the telephone pole? It helps seven phone calls travel at the same time along this one pair of wires. That means one pair of wires is doing the job of seven! You'll get an idea of how it works if you think of a freeway, with cars running side by side in separate lanes. To carry your calls, a carrier system sets up separate *voice* lanes, or frequencies. With these extra voice lanes, phone lines can work a lot harder for you. Especially in rural areas, carrier systems are helping us bring more service to more people.

TELEPHONY-SCHOOLS

Delores Diehl is a key figure in Pacific Telephone School Teacher Aids program which is available to assist Lemon Grove schools in training in communications sciences. Delores presents realistic training aids and impresses students with the fact as industry automates proper communications by the public is of ever increasing importance. She shows misuse is expensive causes poor service and is irritating to the telephone users.

Good telephone habit, voice techniques and courtesy developed by this program will help students in their day to day living as good citizens and good communicators in their community.

It will also keep them abreast of the most recent development in communication equipment such as solar batteries, microwaves, and transistors.

Play To Spark Palm Founders Day Program

"Changing Times" is the name of the skit to be presented this week at the Palm Avenue PTA Founder's Day program Thursday. Founder's Day chairman, Mrs. Raymond Bierwirth, will be assisted by Honorary Life Chairman, Mrs. H. L. Graham.

Music will be provided by John Durham and his Corn Cobs. Mrs. H. L. Graham will present the Honorary Life Membership award to some worthy person. Mrs. Don Lauder's Camp Fire group, "Tan Ki Ka" will present the colors. Refreshments will be served by Third Grade Mothers.

The nominating committee presented the following slate of officers at the last Board meeting: president, Gerald Heath; 1st vice-president, Mrs. A. R. Detrez; 2nd vice president, Mrs. John Stubbs; recording secretary, Mrs. K. K. Little, Jr., corresponding secretary, Mrs. V. R. Block; auditor, Mrs. James E. Dawson and historian, Mrs. David Mills.

This slate will be presented at this regular meeting and election will be held at the regular March meeting.

Tickets for the San Diego County Fair will again be available through the PTA at a 25 cents saving on each adult admission to further the Dental Health program of the PTA.

Mr. Si Metzner and Mr. Gerald Heath were appointed as Palm Avenue PTA representatives to the planning of the annual Swimming Pool Parade and Carnival to be held in May.

☆ Five million passengers, 22 million tons ot petroleum products, and 52 millions tons of dry cargo were transported to, from, and within the Korean theatre to support that war.

COUNTY OF SAN DIEGO
NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the Board of Supervisors, Room 306, Civic Center Administration Building, San Diego, California, until 2:00 o'clock P.M., on March 3, 1958, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors' Chambers, for construction in accordance with the specifications therefor, to which special reference is made, of

a traffic signal system at the intersection of Broadway (D-56) with Imperial Aveune (HC 4-1) in Lemon Grove.

ENGINEER'S ESTIMATE

Item	Quantity	Description
1.	Lump Sum	Furnish and install traffic actuated signal system including service connections, at the intersection of Broadway (D-56) with Imperial Avenue (HC 4-1) in Lemon Grove.

Under the provisions of the California Labor Code, the Board of Supervisors has determined the prevailing rate of per diem wages for the locality to be as follows (rates are for an 8-hour day unless otherwise specified):

Carpenter, Journeyman — $25.80; Cement Mason and Cement Mason Roller Screed Operator — $25.40; Journeyman Electrician or Lineman — $30.40; Laborers, general or construction — $19.84; Any classification omitted herein not less than $19.84.

OVERTIME AND HOLIDAY WORK: Not less than one and one-half times the above prevailing rate of per diem wages shall be paid for overtime work and for work on holidays. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

All bids are to be compared on the basis of the Engineer's estimate of the quantities of work to be done.

No bid will be accepted from a contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

The attention of bidders is particularly directed to the provisions of Section 7, article (A), subdivision (6) of the specifications regarding the use of domestic materials; and also to the provisions of Section 8, articles (A) and (B) of the specifications, regarding subcontracting and assignment of the contract, respectively.

Plans, forms of proposals, bonds, contract, special provisions and specifications may be examined at the Office of the County Surveyor, Room 014, Civic Center Administration Building, San Diego, California. Copies of plans and specifications may be obtained at said office upon payment of $8.00. If payment is made by check, it should be made payable to "County of San Diego".

No Refund will be made.

No bid will be received unless it is made on a form furnished by the County Surveyor and accompanied by the security referred to therein. Forms of bid proposal and bonds may be obtained at the County Surveyor's office.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bids or in the bidding.

Dated January 28, 1958.
R. B. JAMES,
COUNTY CLERK
and ex-officio Clerk of the Board of Supervisors,

Resolution of Intention re the Authorization of a Lease of Property by the Lemon Grove School District to the County of San Diego

On motion of Member Brown, seconded by Member Armstrong, the following resolution is adopted:

WHEREAS, the County of San Diego has requested a lease of the hereinafter described property upon terms satisfactory to this Board, said property belonging to the Lemon Grove School District and being described as follows:

Lots 198, 200, 201 and 202 of Hillsdale Subdivision, located in the County of San Diego, State of California, according to Map thereof on file in the office of the County Recorder of San Diego County;

and

WHEREAS, possession of said school property is not and will not at any time during the term of said proposed lease be needed for school classroom purposes;

NOW THEREFORE

BE IT RESOLVED, pursuant to Sections 18661 through 18664 of the Education Code that a lease of the above described property belonging to this District be granted to the County of San Diego upon the following terms and conditions:

1. The leased premises shall be used for park and recreational purposes only.

2. The term of said lease shall be for ten (10) years, commencing March 1, 1958 and terminating February 29, 1968.

3. As consideration for the use and occupancy of said premises The County of San Diego will pay to the Lemon Grove School District the sum of one dollar ($1.00) payable to the Clerk of the Governing Board of said School District.

4. The County of San Diego shall not sublet all or any part of said premises without the consent in writing of the Lemon Grove School District.

5. The County of San Diego shall be responsible for all utilities, including water, on the leased premises.

6. The Lemon Grove School District shall assume no liability for any use of the premises by the County of San Diego.

BE IT FURTHER RESOLVED that the Clerk of this Board be and is hereby authorized and directed to publish this resolution in the Lemon Grove Review, a newspaper of general circulation in this District, once a week for three successive weeks prior to the execution of said lease by this Board.

PASSED AND ADOPTED by the Governing Board of the Lemon Grove School District of San Diego County, State of California, this 13th day of January, 1958, by the unanimous vote of all of the members elected or appointed to the Board.

Heart Program To Be Given At C d O School

How do arteries to the heart gradually become narrowed as a result of atheroclerosis? Members of the Parent Education Committee, P-TA, plan to find out, at a special program on heart diseases, Feb. 13, 8 p.m., Casa de Oro School, Agua Dulce Street at Ramona Drive.

The program arranged thru the San Diego County Heart Association, will feature tw short films entitled "Mr. Pum Takes Heart", narrated by Ed e Cantor, and "Coronary He rt Disease". Both films show how the medical scientists are working with all the facilities of research to find a way to protect the man of tomorrow.

Dr. A. L. Edgar, a past president of the San Diego County Heart Association, will be guest speaker. He will conduct an open question and answer session with the P-TA members, to answer their questions about diseases of the heart, currently the nation's no. 1 killer.

Mrs. Warren P. Overton will serve as chairman of the meeting.

ART CLASS PICTURES TO BE GUILD PROGRAM

The February meeting of St. John of the Cross Parents' Guild will be held this week in the church basement on Thursday at 8 p.m. At this meeting the parents will be invited to see an exhibit of pictures, both in black and white and color, drawn by the special art classes at the school. The school band will also entertain at this meeting. All parents are invited to attend.

Woman's Club To See Adult Education Program

The Lemon Grove Woman's Club will hold its regular meeting this week on Friday at 1:30 p.m. in the club house. Mrs. Marie Howell, program chairman, will introduce Mrs. Pandora Donovan who will present foreign students of adult education.

The tea hour hostesses are: Mrs. Frank Eldredge, chairman, assisted by Mmes. Robert Ball, E. M. Culver, Glenn Wyse and Millie Bowers.

VLM THIRD GRADE VISITS CANNERY

Mrs. Tait's third grade at Vista La Mesa School were recent visitors to San Diego's waterfront and Van Camp's tuna cannery.

The youngsters get to see the canning process, from the unloading of the fishing boat to the shipping out of the cans of tuna. Accompanying the class were Mmes. Gerald Wade, Nicholas Banos, Mary Fletcher, and John Mallow.

McLaughlins Have Baby Girl

Dr. and Mrs. Dennis McLaughlin, of 7520 Roosevelt Street, became parents of a 6 lb., 10 oz. baby girl Saturday.

This newspaper had prognosticated that the couple would have a baby girl on February 18, an error in calculation of 10 days.

They named the little girl, who was born at Grossmont, Erin Maura.

GROVE PROPERTIES MADE COMMERCIAL

SAN DIEGO (CNS) — Supervisors granted zoning changes on three pieces of Lemon Grove property after a public hearing on Tuesday. A single ordinance was approved for the changes.

The property of Marjorie L. McClurken and land around it was changed from R-2-A, C-1 and C-2 to C. That of Willis Richardson from R-A-2 to R-3, and that of Leon A. and James B. Moranville from R-A-2 to C.
